WHAT YOU MADE POSSIBLE

Since 1949, we have been discovering, preserving, and sharing evidence of and knowledge about the history of Chagrin Falls and vicinity. The following pages highlight examples of YOUR IMPACT from your membership and gifts.

Our thanks

Dear Friends,

We have much to celebrate! We have been blessed with generous donors and volunteers who have carried us through over 73 years of service to the people of Chagrin. We would not be where we are today without all of their efforts. Thank you!

In 2022, we completed the strategic planning process and identified the following goals for the next few years:

Goal I: Enhance our capacity to provide services that reach broader segments of our community
Goal II: Expand resources and funding support
Goal III: Enhance the board foundational structure to increase effectiveness and accountability

We look forward to working towards achieving those goals and carrying the historical society into the next era with you, our supporters, at our side.

This annual report highlights some of the ways your membership funds, generous donations, and support from our community partners have helped keep history alive. We hope these stories fill you with a sense of pride. Thank you for your support and making all of this possible.

We are honored by your confidence in our work and are grateful to have you by our side.

Why I support the Historical Society

I have volunteered at the historical society for seven years and have witnessed how it consistently seeks to build a sense of community and educate young people about its past. I know of no organization that is as committed to all facets of life here as the historical society.

Community Involvement

Save Henry Church Jr. Rock

Around 2020, the Historical Society, along with Church family descendants and concerned citizens, formed a Save Henry Church Jr. Rock Committee to explore how we could save this iconic sculpture in the Metroparks.

We met with Cleveland Metroparks staff and reached an agreement for the Intermuseum Conservation Association (ICA) to take steps to properly clean and care for Henry Church Jr. Rock. ICA hopes to start in summer of 2023.

The Historical Society created the Henry Church Jr. Rock Fund. Funds raised specifically for Henry Church, Jr. Rock will go into this fund, which will be used for the cleaning and preservation of the sculpture. Any excess funds after this initial cleaning will be held in the Henry Church Jr. Rock fund and will only be used for future preservation and maintenance. Stay tuned!

EDUCATION

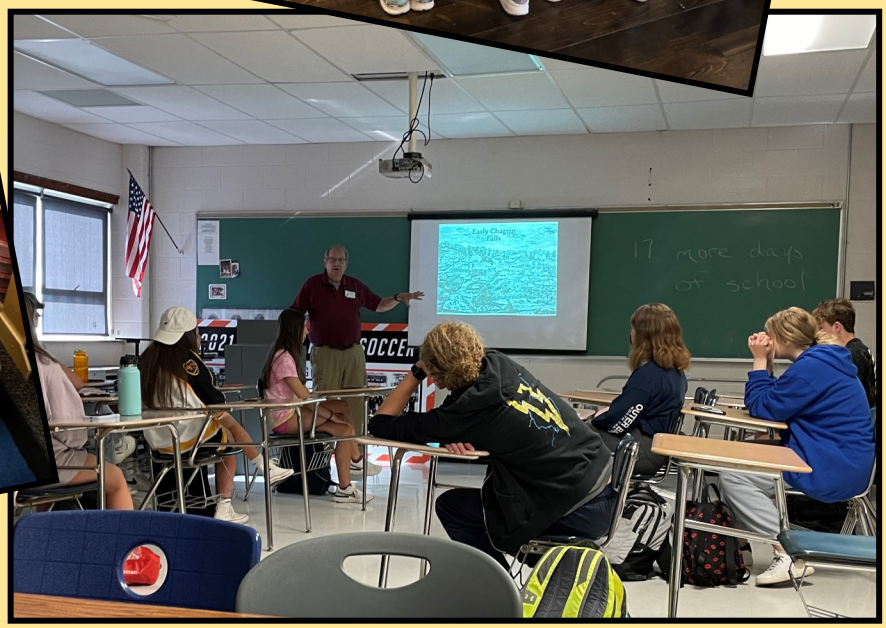

Education is one of the top priorities of our museum. Our mission is to educate the general public, which includes adults and children. Our staff and volunteers oversee field trips, group tours, and classroom lessons. We have programs for grades K-12. High school students can volunteer and receive service hours. We also offer college internships!

EXHIBITS

Our Exhibits Committee creates a multi-year exhibit plan for our rotating gallery and executes it. This year we had two exhibits: ***Finishing Touches: The Story of Wardrobe Accessories (sponsored by Peter's of Chagrin Falls)*** and ***The Joy of Toys: 1890 and Beyond.***

David J. Carpenter Gallery

David & Nancy Carpenter have been extremely generous to the museum. In 2020, David told us he wanted to donate a narrow gauge train model, which he had built entirely by hand, to the historical society before he passed away. We filmed a documentary in September 2020 of David discussing his passion for creating the train. The short film is available to watch at the Historical Society and on our YouTube channel.

We are forever grateful for the generosity of the Carpenter family. In 2022, we hosted a reception to dedicate the David J. Carpenter Gallery, which is the entire east side of the museum exhibit gallery. David's train helps us tell the story of the Interurban Electric Railway and the railroads in Chagrin.

Return of Village Walking Tours!

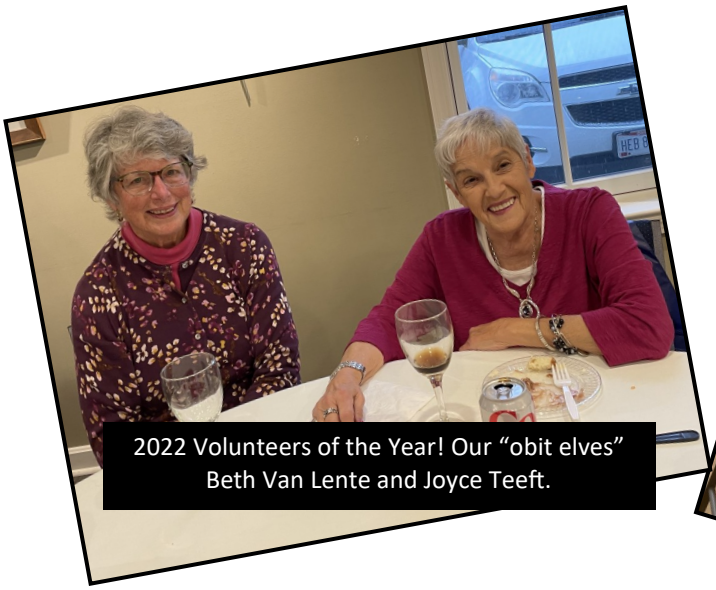

Every Saturday during the summer, volunteers Scott Hageman, Karen Leary, and Frank Kanzinger led tours around the village. The tours included the West Side Historic District and the Downtown Business district. Over 60 people enjoyed these tours. This is a fun activity for your guests or any Chagrin resident! We are looking forward to adding more tours this summer, even possibly bike tours! So, stay tuned!

WE SALUTE OUR VOLUNTEERS

Thank you to all of our volunteers in 2022! You put in over 5,000 hours. We are very grateful for your support and dedication to the Historical Society. You folded newsletters, set up exhibits, continued research and collections projects, and so much more!

Ribbon Cutting Ceremony January 15, 2022

We were awarded $50,000 from the State of Ohio Capital Budget for capital improvement projects, which covered waterproofing the basement and replacing the flat roof and gutters. In January 2022, we completed the basement and held a ribbon-cutting ceremony attended by Judge John Eklund, Representative David Robinson, Senator Matt Dolan, and Jeff Westhoven of the Ohio Facilities Construction Commission (pictured above), along with other local dignitaries and donors.
